

BUREAU VERITAS ITALIA S.p.A. Via Miramare, 15 – 20126 Milano

**ATTESTATO DI ESAME DELLA CONFORMITA'
CONFORMITY EXAMINATION CERTIFICATE**

N° P14099/12/MC/mc rev. 3

BUREAU VERITAS ITALIA a seguito di verifica di terza parte (rapporto di ispezione nr. P21013/12/MS/ms) attesta che il modello di seguito identificato, è stato esaminato secondo quanto previsto da:

- IEC TS 61827 "Electrical installations for lighting and beaconing of aerodromes – Characteristics of inset and elevated luminaires used on aerodromes and heliports." - First edition dated 2004-05
- ICAO Annex 14 "Aerodromes" Volume I Aerodrome design and operations. Sixth edition July 2013
- TCCA TP 312E, Aerodrome Standards and Recommended Practices
- EASA CS-ADR-DSN Issue del 29/01/2015 – Certification specifications and guidance material for aerodromes design
- AENA PPT/016-06/12 "Pliego de prescripciones técnicas de luces elevadas aeronáuticas de superficie de borde de pista "

Following the third part inspection (inspection report nr. P21013/12/MS/ms), Bureau Veritas Italia attests that type identified hereunder has been examined against the provisions of:

- IEC TS 61827 "Electrical installations for lighting and beaconing of aerodromes – Characteristics of inset and elevated luminaires used on aerodromes and heliports." - First edition dated 2004-05
- ICAO Annex 14 "Aerodromes" Volume I Aerodrome design and operations. Sixth edition July 2013
- TCCA TP 312E, Aerodrome Standards and Recommended Practices
- EASA CS-ADR-DSN Issue dated 29/01/2015 – Certification specifications and guidance material for aerodromes design
- AENA PPT/016-06/12 "Pliego de prescripciones técnicas de luces elevadas aeronáuticas de superficie de borde de pista "

Dispositivo / Device:

**VC30 (1 X 45W 6.6A)
Elevated taxiway edge light**

**Fabbricante
manufacturer**

ENERGY TECHNOLOGY S.r.l. Società Unipersonale

Legal address: Sede Legale: 40124 BOLOGNA – ITALY – Via Farini n. 6

Operative address: Via della solidarietà, 2/1 – Crespellano

Questo certificato perde la sua validità dopo 7 anni dalla data di emissione, o in caso di modifiche al dispositivo che possano influire sulla conformità ai requisiti dello standard di riferimento. Ogni 3 anni deve essere esaminata e confermata la validità rispetto alle norme AENA

This certificate shall be deemed to be void after 7 years from the issuing date or in case of modification to the device where this may affect conformity with the reference standard. Each 3 years the validity according to AENA shall be examined and confirmed. Questo certificato è composto da 2 (due) pagine/This certificate is composed by 2 (two) pages
